## Brisbane Fashion Month

Dates 1-31 October

After having huge success in 2016, Brisbane Fashion Month will continue to raise the profile of Queensland fashion in the Australian and international market. Get involved in a range of events including make your own leggings workshop, Queen Street Mall runway, Design Competition Display, Runway Cocktail Party and the Gala Finale to finish it off with a bang.

## Cirque Du Soleil: Toruk The First Flight

Dates 5-15 October

Cirque Du Soliel transports you to the world of Pandora, first discovered through the award-winning film Avatar. Using cutting-edge visuals, puppetry, stagecraft and an outstanding cinematic score, performers combine their unique signature style to this imaginary world and create a performance that allows audiences imaginations to run wild.

# Colleges

## Queensland University of Technology

Address 2 George St, Brisbane City QLD 4000

Schools Offered: QUT Business School, Creative Industries, Education, Health, Law, Science and Engineering

The Queensland University of Technology (QUT) is a public research university located in the urban coastal city of Brisbane, Queensland, Australia. QUT is located on three campuses in the Brisbane area: Gardens Point, Kelvin Grove, and Caboolture. The university in its current form was founded in 1989, when the then Queensland Institute of Technology (QIT) was granted university status by the 'Queensland University of Technology Act' passed in 1988 and also by the subsequent merger of Brisbane College of Advanced Education with QUT in 1990.

Ranking 247

Email [askqut@qut.edu.au](mailto:askqut@qut.edu.au)

## Australian Catholic University

Address 1100 Nudgee Rd, Banyo QLD 4014

Schools Offered: Education and Arts, Health Sciences, Law and Business, Theology and Philosophy.

Australian Catholic University is a publicly funded university with seven campuses around Australia. It is one of the few Australian universities with a presence in Europe, having opened the Rome Centre in Italy in 2015.

Ranking 801-1000

## Griffith University

Address 170 Kessels Rd, Nathan QLD 4111

Schools Offered: Arts education and Law, Business School, Health School, Science School

The remarkable people who better our world, the remarkable experiences that transform people and communities, and the remarkable contributions that change the future forever. We know success often comes from being an exception to the norm—challenging convention, adapting and innovating, creating bold new trends and pioneering solutions ahead of their time. At Griffith, remarkable is the norm.

Ranking 325

## University of Queensland

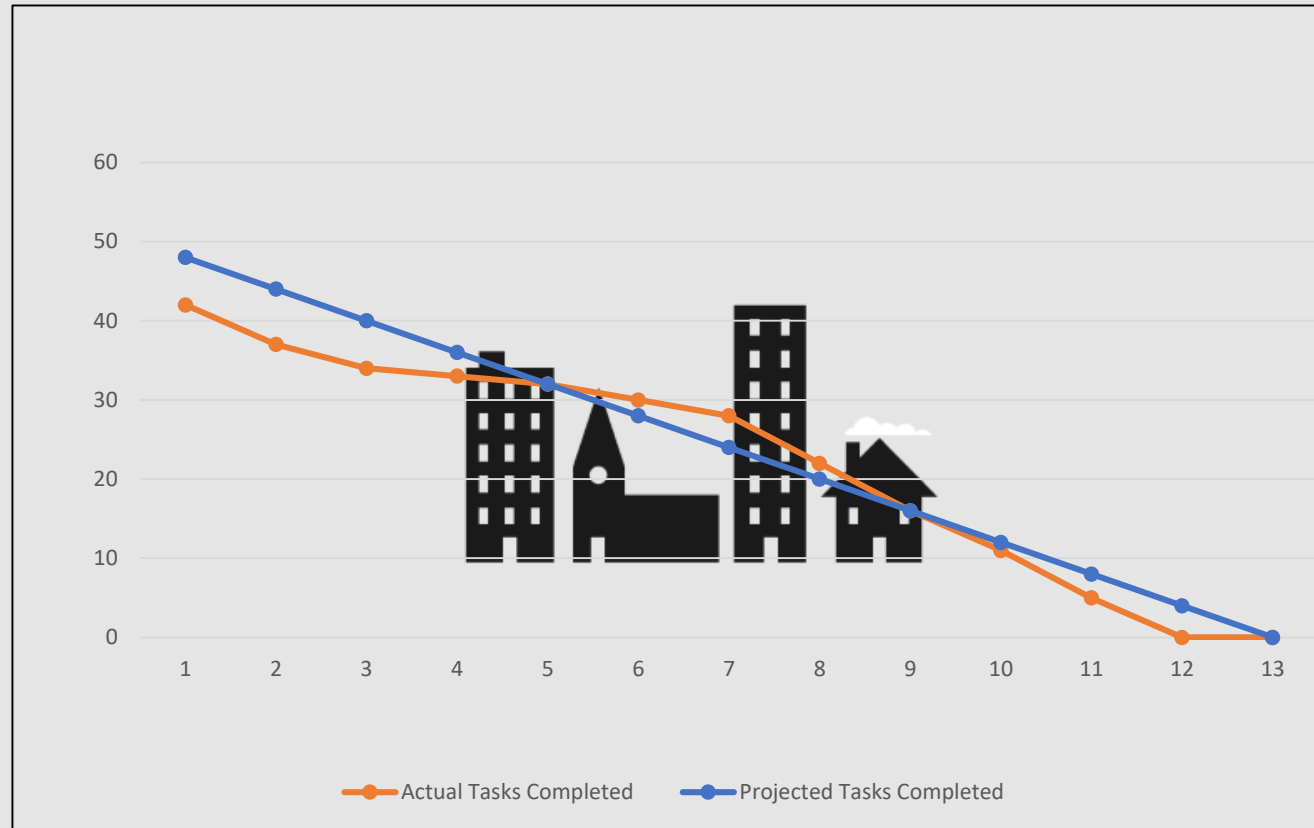

Address St Lucia QLD 4072

Schools Offered: Agriculture and Food Sciences, Architecture, Biological Sciences, Biomedical Sciences, Business, Chemical Engineering, Chemistry and Molecular Biosciences, Civil Engineering, Communication and Arts, Dentistry, Earth and Environmental Sciences, Economics, Education, Health and Rehabilitation Sciences, Historical and Philosophical Inquiry, Human Movement and Nutrition Sciences, Information Technology and Electrical Engineering, Languages and Cultures, Law, Mathematics and Physics, Mechanical and Mining Engineering, Music, Nursing, Midwifery and Social Work, Pharmacy, Political

# Highlight User Stories

02	As a student I want to see colleges/universities in a specified city	4
03	As a student I want to know where the libraries are	4
04	As a student I want to be able to search for places	3
05	As a student I want to see information relevant to me only	2
09	As a student I want to know about events happening in the city	2
33	As an administrator I want colleges, industries, hotels and city information to be shown after the home page	1
40	As an administrator I want the website to be minimalistic, in an easy-to-read typeface with non-vibrant colours	1

# Burndown Chart

# Future Improvements

- Having the event list linked up to an RSS feed.
- Integrating a search bar, to allow the user to search the database quicker.
- Having a link to google maps so the user can be sent directions.
- Having the user be able to save locations that they might want to visit.
- Having rating linked up from yelp.
- Being able to sort items on a page alphabetically or by other traits.

# Thank You
